

Re: Clear Creek High School / Middle School

Clear Creek High School/Middle School:

Athletic Field Lighting:

Athletic field lighting is being provided at the stadium field to allow night games at the High School/Middle School. This scope consists of 4 light poles that will provide 50 fc light levels on the field as well as some secondary lighting for the bleachers with an inverter and controls.

Gym Flooring:

The flooring in the large and small gym is being refinished. Refinishing includes new game line paint.

Door Security Upgrades:

Selected exterior doors are being upgraded with access control/card readers, door contact sensors, and video intercom. Additional exterior door hardware will also be replaced.

Schedule:

Start: 6/12/23

Completion: 8/4/23

Total construction cost including Guaranteed Maximum Price:
